Prize for Lithography

The 1st European Lithography Days in Munich will take place from August 30th to September 4th, 2005. e.a. münchen, an association for supporting contemporary fine art prints, and the Münchner Künstlerhaus will organize an exhibition and prizes for lithographs concerning the idea of topography. Working together with the Bavarian Geographic Surveyors Board, an exhibition of lithographs will be shown at their gallery. The prizewinners will be announced at the opening on September 2nd, 2005.

1st.Prize: € 2,500.00

2nd Prize: Editioning the lithograph of the artist at the workshop STEINDRUCK MÜNCHEN.

3rd prize: 2 months residency at the Münchner Künstlerhaus including free accomodation and use of the workshop.

Conditions of entry:

There is no limitation of age or nationality

Entries are invited for up to three lithographs, single or multi-colour, concerning the idea of topography.

Please enclose a short statement about the specific technique used and the content.

All applicants participate at their own risk. e.a. münchen, the Münchner Künstlerhaus and the Bavarian Geographic Surveyors Board cannot be held responsible for damage or loss of any works submitted for entry. Unaccepted artwork will be sent back in August 2005. Artwork chosen for the exhibition will be returned at the end of the event.

Original prints can be submitted between July, 1st and 15th (July, 15th postmark acceptable)
